A public hearing preceded the Elba City Council meeting Monday, Aug. 26, at Elba City Hall.

The public hearing was to allow public input on the city's notice that the properties had been deemed unsafe and a public nuisance, and therefore, were subject to demolition pursuant to city ordinance. The properties discussed at the public hearing were: 427 Williams Avenue, 221 Plant Avenue, and 329 Brunson Circle.

No person was in attendance to speak on the 427 Williams Avenue property.

A neighbor to the 221 Plant Avenue property, Keith Peacock, was in attendance to speak on this matter. Peacock lives at 215 Plant Avenue, and he said he had killed 8-9 snakes coming from that property in the past three months. He added that he had been bitten by one snake.

In favor of this property either being cleaned up or demolished, Peacock said his wife had completely quit going outside in their backyard because of all the snakes and rats coming

from 221 Plant Avenue.

"Something needs to be done with this," Peacock said to the Elba City Council.

As for the 329 Brunson Circle property, Matt Brunson spoke on behalf of his mother, Nancy Brunson. Mrs. Brunson is the property owner.

William Worthington, code enforcement officer for the city, said it was his recommendation on this property for it to either be restored to a safe property in compliance with the city's code or be torn down if not restored.

Mr. Brunson said the home on the property is intact. He said this home was his parent's first marital home, and the family would

like the opportunity to look at it and make necessary repairs instead of it being torn down, especially due to the sentimental value of the home. However, he said a Lis Pendens [legal] document the family received indicated they were not allowed on the property and it would be demolished.

Brunson said the walls of the home were intact, it has a good roof, the floors are good, etc. He said he was not sure, without looking closer at it himself, exactly what needed to be done to restore the property to an approved standard to remove it from the city's subject to demolition list.

UPDATE:

During the most recent Elba City Council meeting, assistant city clerk Pat Boothe said the decorative lights on the square going across the streets now had three strands on Simmons Street and a dimmer had been installed to allow adjustment of the brightness.

Council members asked that the next side be done with four strands of lights across that street to allow them to compare and decide which they prefer - three strands or four strands for each side.

Boothe also said the lights had been adjusted on the pole and are now at 15 feet above the ground.

BRAINSTORMS

With Ferrin Cox

"Holding onto anger is like grasping onto a hot coal with the intent of throwing it at someone else. You are the one who gets burned" - Buddha

It is hard to believe that 2019 is almost over. Here we are into September and it seems that we should be just getting past February . . . or even January! There was a time when we puzzled over this feeling that 'time is flying'. However, some person much smarter than a weekly newspaper publisher wrote several years ago that it was something that goes with getting older. Well we have a full dose of that! It seems that our brain sees things happening that have happened many times before and kinda slides over them without revising or updating our thoughts in the - well in computer terms, the data saved previously. Thus, Christmas no longer comes once every four years and we thought as a six or eight-year-old. You can accept that explanation, figure out your own theory or just shrug and move on to figuring out the next weather event. Our understanding of the human brain is a bit limited and thus we avoid absolute reasons for what happens in the human head.

The same unanswered questions are in our brain over what prompts the mass shootings that are plaguing America these days. There are almost as many theories as there are mass killings. Any one of the many explanations could be true but none are absolutes . . . yet. We have faith that there will be a consensus some day and it could very well be directly connected to the frustrations being demonstrated in all walks of life, all over America. If so, someone will have to find a solution or society can no longer be called 'civilized'. It is hard to accept a comment we once read that "a country needs a major war every few generations to keep the people united in their quest for the good life."

We spent several days out of town during the Labor Day weekend. It was for an annual gathering of our parents' decedents, eating lots of fattening food while telling and retelling family stories, even going back to past generations. The good thing about relating stories of grandparents and great-grandparents is that they are not here to argue the details nor be offended by having the at times embarrassing facts repeated. We also visited a couple of graveyards where generations of ancestors are buried, took several of the youngsters to a museum where some family treasures are part of the displays and drove by many childhood landmarks (the ones that could be found in this everchanging world). All in all, it was a good break from the daily grind and we have a growing appreciation for our relatives who make the effort to share their time by attending these gatherings.

Early on during our weekend stay, it was discovered that the main house had all the TVs removed since last year! Now this is college football time and many of our relatives are not immune to the belief that watching several college games is necessary for life to continue. Well since the one house will not hold everyone, it was with relief that a couple of the secondary rentals were so equipped. End results was that no one died because of a missed football game (though there was a couple of losses that caused sad faces for a while). Those who have never experienced four days without a TV should be grateful to know that we survived without any side effects and they will also.

Coffee County Prayer Walk showers local schools with prayer

The Coffee County Baptist Association's WMU hosted the annual Coffee County Prayer Walk for Schools on Sunday, Aug. 25th. Reports from several schools were that the number of people participating this year was up from previous years [such as Kinston School, shown at the right]. Those who prayed at the schools were allowed to walk around the facilities and shower the rooms, halls and more with prayer for a good, safe school year!

ELBA (Continued from Page One)

However, he said it clearly appeared to be in much better shape than the other two properties discussed in the public hearing. Following the public hearing, the Elba City Council entered its regular meeting. During this meeting, the council addressed each of the properties discussed in the public hearing.

Council members voted to move forward with the resolutions on the 427 Williams Avenue and 221 Plant Avenue properties for them to be demolished, if the property owners did not handle the matters personally in the timeframe provided by the ordinance procedure.

As for the 329 Brunson Circle property, the council voted to table this matter until the Sept. 23rd meeting

to allow the Brunson family more time to address it personally. The family members were assured they had the right to go onto the property during this extended time.

Also during the Aug. 26th council meeting, downtown business owner Chris Foley addressed the mayor and council members.

Foley's main concern was the Alabama Department of Transportation's recent notice that some downtown intersections would be changed from red lights to either 2-way or 4-way stops. He said he felt this would be a very dangerous change regarding traffic in downtown Elba.

"The public needs to have input on 4-way and 2-way stops," Foley said. "I would like the council to ask for a

public town meeting to allow input."

He said a lot of beach traffic still travels through the downtown area and he is concerned about that traffic flying through the area and ignoring the stop signs.

"I just feel this will be very dangerous," Foley said. "Once the state takes the lights down, you can't get them back."

Mayor Mickey Murdock said it was his understanding that when the intersections are changed, the lights would be changed to 'flashing lights' for a 90-day period. After that 90-day period, he said the state would give the lights to the city, and it could keep them up if the city wanted to pay for the upkeep of the lights. The state would no longer service those lights, if they

remained.

Murdock said state DOT officials said there has to be 60 cars per hour eight straight hours to warrant a traffic light.

The council decided to add the discussion of holding a town hall meeting on the matter, as requested by Foley, during its upcoming work session set for Thursday, Sept. 19th at 6 p.m. The council will decide at that time if it wants to proceed with scheduling a town hall meeting on the matter.

The council appointed Bryson Dear, the soon-to-be code enforcement officer for the City of Elba replacing William Worthington, to the ROCC Board. They also voted for Jessica Wyrosdick to be the city's appointee to the Equalization Board.

Children learn about Labor Day during Elba Public Library's Story Time with Ms. Barbara

Story Time with Ms. Barbara at the Elba Public Library [EPL] focused on Labor Day last Thursday, Aug. 29, in Elba.

Barbara Tillis, EPL circulation clerk, leads Story Time each Thursday afternoon at 4 p.m. at the library, and it is open to any and all children of all ages. There is no charge to attend this library program, and it provides a fun time of learning as Tillis reads a book to the children and that is followed by crafts.

Last week, the children learned more about the Labor Day holiday, including why it is observed and when it was first established. After Tillis read two short books to the children in attendance, the youngsters were able to create a "hat" for an occupation they found most interesting. The choices ranged from nurse to baker.

The next Story Time with Ms. Barbara is set for Thursday, Sept. 5, at 4 p.m. at the Elba Public Library. Tillis said she hopes to have a room full of youngsters eager to have fun with reading and crafts!

Food Safety Course on Cottage Food Law set for Sept. 11th at Coffee County Extension

The Alabama Cooperative Extension System is conducting a Food Safety Training Course on the Alabama Cottage Food Law.

This law went into effect June 1, 2014 and states that individuals can produce certain nonhazardous foods in their homes. According to this law, the operator must maintain certification of having attended and passed a food safety course approved by the Department of Public Health.

This course offered through the Extension System is an approved course. This training will help participants get a better understanding of what the Cottage Food Law is, what foods can be sold under this law, and where foods can be sold.

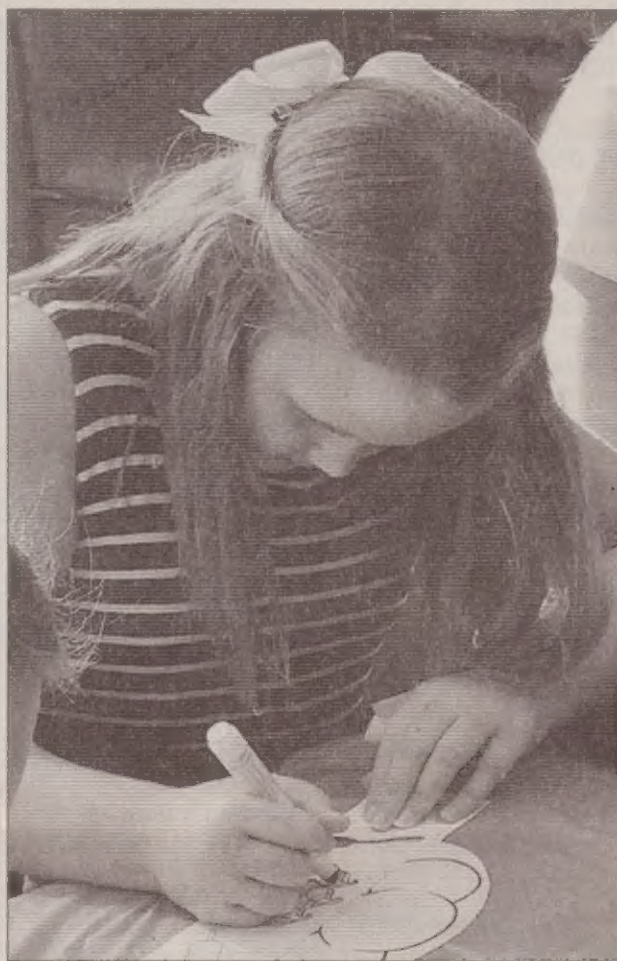

Participants also will learn how to recognize labeling requirements and understand basic food safety practices. Participants who pass the course will be given a certificate.

The Alabama Cottage Food Law Course will be held Wednesday, Sept. 11, from 1:30-3:00 p.m. at the Coffee County Extension Office, located at 1055 E McKinnon Street in New Brockton. The cost of the course is \$25 per person.

Registration can be completed online at www.aces.edu/foodsafety. For more information call Bridgette Brannon, regional extension agent, at 334-714-1248.

Barbara Tillis, circulation clerk for the Elba Public Library, loves the interaction she gets from the children that attend the library's Thursday afternoon Story Time with Children program.

Mary Brooklyn O'Neal works on her 'baker's hat' that she created during craft time last Thursday, Aug. 30, as part of the Elba Public Library 'Story Time with Ms. Barbara' program. The program is free and open to children of all ages. It is each Thursday at 4 p.m.

DAR encourages "No Straw September" to stand against single-use plastic pollution

Submitted by: Claire Murphy, Conservation Chair, Alabama Society Daughters of the American Revolution

The daughters of the National Society of the Daughters of the American Revolution (NSDAR) are encouraging everyone to join them in skipping the plastic straw and participate in the No Straw September!

In just the U.S. alone, it is estimated that 500 million straws are used every day. One study found that as many as 8.3 billion plastic straws pollute the world's beaches. Most plastics don't decompose, or biodegrade, when tossed. Plastics can stay in landfills for hundreds of years, and plastic in the ocean floats around as small pieces (called microplastics) that can poison animals and hurt the environment.

For example, to a sea turtles these microplastics can look like food. Once swallowed the plastic get stuck and make the turtle think it is full, thus the turtle stops

In general, straws are not good for humans. Drinking sugary or acidic beverages through a straw can increase the likelihood of cavities. Straws send a concentrated stream of liquid toward a small area of the teeth, which can erode enamel and cause tooth decay. And yes, repeated straw drinking causes people to purse their lips and can create wrinkles from repetitive muscle motion.

The origin of the movement to ban plastic straws began with a 9-year-old boy named Milo Cress and his 2011 campaign, "Be Straw Free," which launched to raise awareness about plastic waste. Americans use enough straws each day to fill 125 school buses.

Plastics Straw Alternatives: No Straw, Bamboo Straws, Glass Straws, Silicone Straws, Steel Straws, Compostable Straws, Paper Straws

While the straw is a start, there is still much more to do. Take a moment to consider those other single use plastics to skip. Remember

Coffee County implements AED Ministry for area churches

Pastor Will Jordan of Newbia Baptist Church of Elba announces the launch of an AED (Automated External Defibrillator) Ministry for area churches.

"As most are aware, many of our churches are located in rural areas with extended time for EMS response," Jordan said. "This issue is compounded by the fact that our area demographics show that over half of our residents are 45 years

of age or older. While anyone can experience sudden cardiac death, the risks are exponentially increased for this age group."

Jordan said through research by multiple professional agencies, if defibrillation is available within the first minute of cardiac arrest, the survival rate is vastly improved for persons experiencing ventricular fibrillation, the most common cause of sudden

cardiac death. He said even those churches within a very short distance of an EMS station, would be hard-pressed to obtain a response time of one minute or less from EMS.

Sudden cardiac arrest (SCA) is a medical event in which the heart's rhythm becomes erratic, and the heart can't pump oxygenated blood to the brain or other vital organs. Unless a normal heart rhythm is restored within a short time, death is virtually inevitable. An Automated External Defibrillator (AED) is a compact and portable, battery-operated device used to automatically deliver measured electrical shocks in order to reestablish the heart's normal rhythm. The simple operation of AEDs makes them suitable for public places, to be used by those who have basic Cardio-Pulmonary Resuscitation (CPR) and AED training.

The AED circuitry is designed to analyze cardiac rhythm and inform the operator whether a shock is indicated. Electrode pads on

the victim transmit information to the device for both monitoring and shock therapy.

"The cost is less than \$800 per unit if we continue to order in quantity," Jordan said. "So far we have implemented this ministry in two churches, as well as the Coffee Baptist Association's retreat facility (The Vineyard). It is our prayer that through donations and sponsorship, some of the costs can be less to the churches."

As for the training, Jordan said he would offer to each church First Aid/CPR/AED training. Anyone desiring to purchase an AED, or donating to this ministry can contact Pastor Will Jordan by email at pastorwilljordan@gmail.com.

Due to "Good Samaritan Laws" in place in every state, technically, anyone—including untrained bystanders—are protected from civil litigation when using an AED in good faith, however training is recommended.

Over 100 people come together to pray for Elba City Schools during annual Prayer Walk

The Coffee County Baptist Association's WMU hosted the annual Coffee County Prayer Walk at schools all across the county Sunday, Aug. 25, and approximately 115 people walked the halls of the Elba Schools showering the building with prayer.

The Prayer Walk at Elba High School was led by First Baptist Church of Elba while the Prayer Walk at the Elba Elementary School was led by Westside Baptist Church. However, this was a gathering where denominations did not matter... instead it was about Christians coming together to pray for the schools, teachers, students, administration, and any and all who enter the buildings throughout the school year.

Cards were placed on the doors and those participating signed the cards letting the teachers and students know they had been prayed for by those participating in the Prayer Walk.

A group of approximately 65 people gathered at Elba High School for a quick devotion before heading out to pray throughout the school Sunday, Aug. 25th. The inset in this photo also shows one of the signed cards that was attached to a teacher's classroom door letting all who enter that room know they had been prayed for that day.

A group of parents, teachers, students, grandparents, and supporters are shown listening to a devotion at Elba Elementary School during the Aug. 25th prayer walk before walking individually throughout the building and praying for the school.

Elba Elementary music students beat to the sound of a 'bucket'

by Linda Hodge, Editor

5-gallon buckets situated in a semi-circle in the Elba Elementary School music room can only mean one thing... It's drumming time!

Elementary music teacher Jeff Carpenter is implementing this school year a bucket drumming class that will include third and fourth grade classes. He said third graders began the class Thursday, Aug. 29, and fourth graders would be drumming soon as well.

"The students will learn basic drum beat patterns using both hands and will play along with some popular songs from artists they are familiar with," Carpenter said.

For example, he said the first two songs the students will be learning to play along with are "Happy" by Pharrell Williams and "The

Cha Cha Slide."

"Bucket drumming is a fun way to introduce younger students to basic rhythms and percussion

concepts to help prepare them for when they are old enough to decide whether to join band or not," Carpenter said. "This is especially true

with the fourth graders since part of that age group will be next year's beginner band."

He said it is also in the plans to have the fourth grade students learn to bucket drum with one of the music pieces the high school marching band plays in the stands and have them perform at a pep rally before the end of the season.

Elba High School band director Shaun Hammonds said he is thrilled to have Carpenter on board at the elementary school teaching music, and he said the bucket drum class in just one excited concept Carpenter is bringing to the elementary school's music department.

Hammonds said he only sees this as a positive for the overall music program at Elba City Schools.

"Our goal is to get the elementary students excited about music and being a part of our music program at Elba City Schools," Carpenter said.

Additional plans for the bucket drumming class is to have the students perform at a PTO meeting sometime after Christmas. Hammonds said a date and time for that performance would be announced at a later date.

EES Class Representatives include: (front, l to r) Levi Martin, Cole Astemborski, Powell Bane, and T.J. Villella; (back, l to r) Tamia Tillis, Ma'Kiyah Hooks, A'nyiah Craighead, Kayden Moseley, Hillary Hudson, Taylor Day, and Karson Tillery.

SGA class reps named for Elba Elementary School

The Elba Elementary School 3rd-6th Grade SGA Class Representatives were named last week.

These students will help oversee school functions throughout the year and assist in projects and activities for the school. They are: Anyiah Craighead, Ma'Kiyah Hooks,

Taylor Day, Karson Tillery, Levi Martin, Kayden Moseley, Tamiah Tillis, Powell Bane, Hillary Hudson, T.J. Villella, and Cole Astemborski

"We look forward to a great year with this young group of outstanding Elba Tigers!" said EES principal Debra Strickland.

Elba JV Tiger Whit Shehee is congratulated by teacher and coach James Gilmore after the come-from-behind Elba win Aug. 27th in Brundidge.

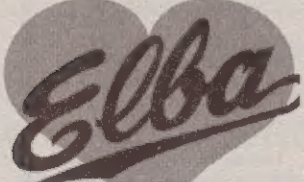

Elba JV Tigers open season with win over Pike County JV Bulldogs

The Elba Junior Varsity Tigers opened their 2019 season Tuesday night, Aug. 27, in Brundidge taking on the Pike County JV

Bulldogs.

The Tigers fell behind early in this game, and trailed 14-0 at the half. However, the Tigers came out on fire in the second half of the game and scored 28 unanswered points to take the win 28-14.

The JV Tigers were scheduled to play the Kinston JV Bulldogs Tuesday night, Sept. 3, in Kinston. The results of that game were not available as of press time this week.

Our little grandson Lawson will celebrate his ninth birthday in just a couple of days and it is hard to believe that the little man that I rocked for hours after he was born is about to turn nine years old. Things have definitely changed over the years and at times I wonder of he still needs his ole granddaddy as much as in the past. However, every time he calls my name I always try to be there and listen to his needs, and hope he is still calling my name for many years to come. There is no doubt he carries my heart!

For what it is worth....

*** *The Elba Tigers gave their fans* another exciting Friday night of football action last week as they outscored the Opp Bobcats 36-34 to get their first win of the young season. The Tigers trailed 15-14 at the half after failing to cash in a first down and goal late in the second quarter, but came out firing on all cylinders in the third quarter and scored 15 unanswered points to grab a lead they would never relinquish. The Elba offense had success all night against the much ballyhooed Bobcat defense, and led by junior quarterback Ja'Quez Prince rolled up and down the field and displayed its blazing team speed. The offense was successful both running and passing, and put points on the scoreboard from all over the field. The defense was dominant at times, but got scorched for 34 points and has now allowed 72 points in just two games, a stat that I am sure the Elba coaches are well aware of. From my view in the pressbox it looks like the Tigers have the players to be just as dominating on defense as they are on offense, and I am convinced that the defense can't wait to get back on the field and prove just how good it can be. The stadium was packed last week, the fans stayed until the final horn and the Elba Tigers came out on top. That's about as good as its gets here in Tiger-town.

*** *It wasn't the best of weeks* for the teams in the area as only the Brantley Bulldogs and Zion Chapel Rebels were able to post wins. Here's a quick look back at the week that was in the area....

** *Brantley scored early and often* to grab a 41-0 lead and coasted in with a lopsided 59-20 win over New Brockton. The Bulldogs came up with four interceptions against the pass happy Gamecocks and took advantage of the turnovers to turn the game into a rout! The win may have been a little too easy and may have the Bulldog fans already talking about the playoffs after just one game. That is both good and bad, because the win has everyone excited, but was just the first game in a 10-game regular season. There is still a lot of football to play.

** *Zion Chapel pulled ahead early* and then turned things over to the defense in an impressive 20-13 win over Red Level. The Rebels rolled up lots of yards on the ground and were more than happy to butt heads in the line for all four quarters, which is something different for the troops up at tack. Perhaps the fact that was most impressive to me was that the Rebels shut out Red Level in the second half to hold on and claim the win. It looks like after one week that Zion Chapel is content to grind it out on offense and play hard noisied defense. That can be a winning combination.

** *Kinston came within seconds* of pulling off a stunning season opening upset over 2A Samson, but watched the win slip away late as the Bulldogs dropped a 14-10 decision. The Bulldogs had two players rush for over 100 yards in the tough luck road loss, and held offensive minded Samson to just two scores. There is no doubt the Bulldogs schedule is going to get a lot tougher in a hurry. However, if they will keep working hard and playing hard, they could be the surprise team in the region before it is all over.

** *New Brockton slipped to 0-2* with a shocking 59-20 road loss to Brantley. The Gamecocks self destructed in the first half and watched as Brantley hung 41 points on the scoreboard to all but settle the contest after just two quarters. The Gamecocks showed some pride in the second half as they scored three touchdowns and battled until the final horn. However, the 0-2 start is not what the fans over a 'Brockton expected this season and possibly the toughest opponent on the schedule comes to town this week in Luverne. What doesn't kill you makes you stronger.

*** *The high school football season* has just started, but there is already plenty for fans to talk about and I'll pass along some of the early season action that has caught the eye of this ole fan. Hoover has been ranked by the sports-writers for 210 straight polls and last week defeated Florida Powerhouse Cocoa Beach 37-23 to start the new season 2-0. On the other end of the spectrum, Barbour County extended its state worst losing streak to 51 games with a 54-0 loss to lowly Central, of Hayneville, and the Jaguars have 0 wins in sight. In other news of note, Fyffe won its 39th straight regular season game with a 28-0 road win at Gerding and have scored in 250 straight games; Holt shut out Autaugaville 30-0 for its first shutout in 169 games, dating way back in 2002; Beauregard set a school record for points allowed in a 63-19 loss to Eufaula; Beulah set a team record or margin of victory in a 56-0 win over Ellwood Christian; and Wicksburg set a team record for total points scored in a 48-41 loss to Daleville.

Now on to the polls, and the 'rest of the story'.... In Class 1A, top-ranked Mars Hill shelled Sheffield 48-6 and #3 Sweet Water surprised Thomasville 33-28, while #10 Linden evened its record at 1-1 with a 56-0 win over Sumter Central. In Class 2A, #2 Leroy lost to Citronelle 23-10 and #3 Addison lost to 3A Piedmont 28-16, while #6 Abbeville outscored Ashford 34-28. In Class 3A, top-ranked Flomaton outscored Northview, Florida, 34-26 and #5 Pike County hammered Alabama Christian 38-13, while #6 Providence Christian improved to 2-0 with a 49-0 romp past Houston County. In Class 4A, #2 Hokes Bluff blanked Southside Gadsden 21-0 and #3 American Christian spanked Woodlawn 56-0, while Hillcrest, of Evergreen, evened its slate at 1-1 with a 37-16 win over Montgomery Academy and #7 Andalusia got past Trinity 21-10. In Class 5A, top-ranked Briarwood lost to Chelsea 17-14 and #2 Ramsey lost to Pinson Valley 27-7, while Danny Horn notched his 300th coaching win with Central Clay County's 38-14 win over Benjamin Russell. In Class 6A, top-ranked Saraland beat B.C. Rain 42-6 and #3 Muscle Shoals outscored Bob Jones 46-19, while the new consolidated Dothan High outscored #6 Wetumpka 54-41. In Class 7A, #2 McGill-Toolen defeated Murphy 28-6 and #3 Central, of Phenix City, got past Cedar Grove, Georgia, 24-20, while Lee, of Montgomery, improved to 2-0 with a 19-17 win over Lanier.

In games played a little closer to the house. Geneva outscored Geneva County 34-26, Houston Academy struggled in a 28-21 win over McKenzie, G.W. Long stunned Dale County 28-16, Headland barely got past Highland Home 36-34, Carroll was not impressive in a 14-6 win over Russell County, and Enterprise got its new staff win #1 with a big 50-22 romp over 5A Charles Henderson.

Probably the most talked about game of the past week was played at Ladd Stadium, in Mobile, were 10 people were injured, including nine with gunshot wounds, after a 17-year-old opened fire after the LeFlore-Williamson game. Ages of the victims were 15-18, with three kept overnight with their wounds. Photos at the scene showed fans and band members hiding in the bleachers as the gunshots rang out, as well as players running off the field. It only takes one idiot to turn an event into a crime scene, and one comment that was scary from another reader stated "Coming soon to a city near you." I'm not sure what can be done about someone sneaking a weapon into a football stadium, but I imagine possible solutions will be discussed in Mobile and all across the state.

*** *The college football season also kicked off* last week and it included some exciting moments for fans in the state of Alabama. The Crimson Tide overcame a slow start on offense to roar past Duke 42-3 in a game in which the defense rose to the challenge more than once and turned back Duke threats, and the offense displayed its corp of speedy receivers. Auburn rallied from a 21-6 deficit to post a wild 27-21 win over Oregon and many of the Tiger fans have already forgotten all about their much maligned head coach. Oh yea, after just one game one daily paper in the state declared "You gotta Bo-lieve," as freshman quarterback Bo Nix has already been declared the team's savior. Troy brought in Campbell for its season opener and the Camels did their part to please as the Trojans rolled to an easy 43-14 win and got their new head coach off to a winning start. The biggest news for Elba fans that follow college football was that former Elba Tiger Alex Wright got in the action in his very first game as a true freshman at UAB and made two tackles in the Blazers win over Alabama State.

*** *Ye Ole Polish Prognosticator* was in a little better mood when he stopped by the office over the weekend and stated when Elba and Alabama both win it has to be a good week for football. The local guesspert hit on 26 of his 31

picks last week to improve his season totals to 39-12, and declared that his crystal ball is becoming clearer every day after months in the closet. Oh well, here is this week's fear-less forecast....

ELBA VS. PLEASANT HOME

The Pea River felines made the lights flicker on the scoreboard last week in a win over a litter of kitties from over in the land of opportunity, and this week will be looking for more of the same when they do a little bird hunting in front of the home folks. The birds made it a little tougher than expected last season, but the felines should be ready for their feathered friends Friday night and enjoy the hunt.

KINSTON VS. BRANTLEY

There is an old saying that 'it's not the size of the dog in the fight, but the size of the fight in the dog' that matters most when two ole dogs tangle up, and the folks down near the county line hope the saying proves to be true when the folks up in Front Porch City open the pound and let their dogs loose for a Friday night romp toward K'town. The hometown dogs learned how to bark last week. However, it will take more than barking to get a win this week.
BRANTLEY 33 KINSTON 7

NEW BROCKTON VS. LUVERNE

The roosters had to hitch hike back to their pen near the bypass last weekend after losing more than just a few feathers during a road trip across the county line. After spending a week scratching around the pen and letting their feathers grow back the roosters may be ready to crow, unfortunately a pride of tigers is heading their way this weekend and they will no doubt be hungry when they arrive. The feathers may be flying....again.
LUVERNE 44 NEW BROCKTON 8

ZION CHAPEL VS. GOSHEN

The troops from up at Fort Jack could be heard celebrating last weekend after skinning a litter of kitties that came to the fort looking to steal a win, and this week will have their muskets loaded when they go on a bird hunt just across the county line. This annual bird hunt hasn't been real successful for the troops, but if their aim is on an upset could be in the cards. In a close game....

Tigers host Pleasant Home

Region wars begin for area teams

The high school football season will enter its third week on Friday night with all area teams jumping into the region wars.

Following is a preview of this week's match-ups:

Pleasant Home (0-1) at Elba (1-1)

The Elba Tigers will be back on the friendly turf of Mack Wood Field Friday night when they host the Pleasant Home Eagles in the region openers for both teams.

Elba leads the brief series 1-0 after claiming a 28-14 win last season, and picked up its first win of the young season last week with a wild 36-34 win over the 3A Opp Bobcats. The Tigers are led on offense by junior quarterback Ja'Quez Prince, who has rushed for over 200 yards and passed for over 200 yards in their two season openers. While the Elba offense has lit up the scoreboard for an average of 33 points per game, the Tiger defense has struggled in allowing an average of 36 points per outing.

Pleasant Home dropped its season opener to Elberta 26-6, but had an open date last week and will be well rested and well prepared for the Tigers after two weeks to get ready for the region opener. The Eagles are coming off a 1-9 season after posting an 11-10 record the previous two years.

Brantley (1-0) at Kinston (0-1)

The Brantley Bulldogs will be on the road Friday night as they open region play in Kinston against the Kinston Bulldogs, led by new head coach Rudy Free.

Brantley leads the series 29-4, won last season 39-0, and has won the last 29 meetings with their region rivals. The green clad Bulldogs posted an impressive 59-20 win over 2A New Brockton a week ago and will enter the game ranked 4th in the state in Class 1A.

Kinston lost its opener to Samson 14-10 on a late score, but opened the eyes of its opponents with the hard fought road loss, and appears to be ready to challenge for a return trip to the playoffs.

Luverne (1-0) at New Brockton (0-2)

The New Brockton Gamecocks will continue to challenge the state's top teams Friday night in a week #3 match-up against the powerful Luverne Tigers, at Gamecock Stadium.

Luverne leads the series 10-3 and rolled to a big 48-7 win last season, and will be big favorites again this week against

the Gamecocks that have been outscored 101-33 in their two season opening losses. The Tigers won their season opener last week with a 41-6 romp over Georgiana, and after settling for runner up honors last season in the 2A ranks have their sights set on a state title.

Zion Chapel (1-0) at Goshen (1-0)

The Zion Chapel Rebels will be on the road Friday night when they travel across the county line to tangle with the Goshen Eagles.

Goshen leads the series and posted a lopsided 55-6 win last season, but the Rebels will carry a 1-0 record into the region clash after a 20-13 win over Red Level in their season opener and have their sights set on their first state play-off trip since back in 2011.

The Eagles posted an impressive 21-7 win over Arifton in last week's opener and are looking to continue their streak of 11 straight trips to the playoffs.

Elba Tigers turn back late Opp rally to claim exciting 36-34 win

The Elba Tigers scored 15 straight third quarter points to erase a one-point halftime deficit and then survived a furious fourth quarter Opp Bobcat rally to claim an exciting 36-34 win, Friday night in front of a packed stadium at Mack Wood Field.

Opp received the opening kickoff and wasted little time grabbing the lead as the Bobcats marched 55 yards in six plays to get on the scoreboard. The score came on third down and 17, when Hal Smithart lofted a 40-yard scoring strike to Erik Matthews, who took the ball away from an Elba defender and trotted into the endzone. The extra-point try sailed wide, but with 9:22 still left in the first quarter Opp was already on top 6-0.

Elba went three and out on its initial offensive series, but got the ball right back at the Opp 39-yardline on a fumble recovery by Tom Ford and from there needed only three plays to take the lead. Ja'Quez Prince rushed twice for 21 yards to help the Tigers get

close, while the touchdown came when Prince connected with Seth Ware on a 15-yard scoring pass. Iverson Lane kicked the extra-point, and with 5:59 remaining in the opening quarter the Tigers were now on top 7-6.

Opp didn't stay down for long; however, as the Bobcats took the ensuing kickoff and behind the passing of Smithart and the hard running of Ashton Patel headed right back down the field. The Bobcats reached a first down at the Elba 13-yardline, but a penalty on third down and two forced Opp to settle for a field goal try, and on the kick Dakota Cornelius split the upright as the Bobcats regained the lead at 9-7 with 5-seconds left in the quarter.

The Opp lead lasted only a matter of seconds, as on the ensuing kickoff, Elba's Collin Harrison fielded the kick at the 15-yardline, darted up he middle through a big hole and raced 85 yards for a Tiger touchdown. Lane added the extra-point, and after one action packed quarter of play Elba owned a 14-9 lead.

Opp began aa series at its own 40-yardline midway through the second quarter

after an Elba punt and went 60 yards in only five plays to get back on top. The key play in the scoring drive came on third and 29, when Hal Smithart dropped off a screen pass to Ashton Patel, and the speedy Bobcat back weaved his way through the Tiger defense for 63 yards to the Elba 16-yardline.

Two plays later Patel scored on a 7-yard burst up the middle, and although the extra point try failed, the Bobcats were back on top 15-14 with 5:28 remaining in the second quarter.

Elba threatened on its ensuing possession and reached a first down and goal at the Opp 9-yardline after a 26-yard pass from Prince to Chrystyle Caldwell, but was stopped on a fourth down run two yards short of the endzone, and at the half Opp went in still clinging to a slim 15-14 lead.

Elba received the second half kickoff and went 77 yards in just three plays to move back on top. The Tiger touchdown came on a 55-yard dash by Iverson Lane, and while the extra point try was blocked, Elba was back on top 20-15 with 11:04 left in the third quarter.

The Tigers regained possession at their own 33-yardline after an Opp punt and drove 67 yards in nine plays to extend their lead. The key play in the scoring drive was a 26-yard pass from Chrystyle Caldwell to Iverson Lane on a fake punt, while the score came on a 9-yard touchdown toss from Prince to Caldwell. Lane added the extra-point, and with 4:59 remaining in the quarter Elba's lead had grown to 27-15.

Opp put the ball in play at its 16-yardline to begin its next offensive series and this time was knocked back by the Elba defense into its own endzone. A 13-yard loss on a quarterback sack by Chanler Coppage on second down backed the Bobcats up to the one-yardline, and on the next play Dezmon Roberson buried the Opp quarterback in the endzone for a safety as the Tigers lead grew to 29-15 with 3:41 left in the quarter.

Opp began its next possession at its own 4-yardline after an Elba punt and promptly set sails on a 10-play, 96-yard scoring drive to cut into the Elba lead. Hal Smithart completed 4 of 5 passes for 63 yards to lead the Bobcats down the field, and pulled the ball down on an option and beat the Elba

defense to the corner of the endzone on a 14-yard run for the Opp touchdown. The extra point try failed, but with 11:02 remaining in the fourth quarter the Bobcats had pulled within one score at 29-21.

The two rivals swapped punts on their next possessions, with Elba winding up with the ball at its own 37-yardline after an Opp punt. It took the Tigers only four plays to cover the 63 yards to the endzone; however, with the score coming on a 50-yard pass from Ja'Quez Prince to Nathan James. Iverson Lane kicked the extra point, and with 5:20 remaining on the clock the Tigers appeared to have the game well in hand with a 36-21 lead.

Opp began its ensuing possession at its own 41-yardline and in six plays was right back in the endzone. A 15-yard run by Smithart turned into a 30-yard gain when Elba was flagged for a late hit on the drive's second play, and three plays later Smithart connected with Zee Ridgeway on a 28-yard touchdown toss. A two-point pass missed its target, but with 3:05 left Opp had pulled within 36-27.

Opp recovered an Elba fumble on an on-sides kick on the ensuing kickoff near midfield and went 51 yards in 10 plays to get back into the endzone. A 24-yard pass from Smithart to Lane Ballard on fourth down and 15 kept the drive alive early, while the score came when Smithart dropped off a 9-yard td toss to Erik Matthews. Cornelius kicked the extra-point, as the Bobcats cut the Elba lead to 36-34 with 2:00 still left on the scoreboard.

Elba began its ensuing possession at the 25-yardline after an on-sides kick attempt rolled out of bounds, and after Iverson Lane broke loose on a 12-yard run for a first down, the Tigers ran out the clock to preserve the exciting 36-34 win.

Ja'Quez Prince rushed for 86 yards on 14 carries and completed 11 of 18 passes for 150 yards and 3 touchdowns to spark the Elba offense, while Iverson Lane added 105 yards and one td on eight carries and Seth Ware pulled in four passes for 35 yards and one td.

Hal Smithart completed 18 of 29 passes for 308 yards and 3 td's to lead the Bobcats, while Ashton Patel rushed for 74 yards and one td on 19 carries.

Elba Marching Tiger Band members were decked out in their new uniforms when taking the field for pregame and halftime festivities at last week's Elba-Opp football game.

Elba Tiger Seth Ware (4) is off and running in last week's big win over Opp. Ware caught 4 passes for 35 yards and one touchdown in the 36-34 homefield win over the Bobcats.

Elba Tiger Chanler Coppage (60) sacks Opp quarterback Hal Smithart (14) for a big loss.

Brantley Bulldog Daquan Pittman (5) looks for running room after pulling in a pass. Pittman rushed for 107 yards and 2 td's in the Bulldogs big 59-20 win over New Brockton.

Kinston Bulldogs fall late to Samson 14-10

Statistics by J.D. Adcock

The Kinston Bulldogs made the short trip over to Samson Friday night for their season opener on the gridiron and battled for all four quarters in a disappointing 14-10 loss to the 2A Samson Tigers.

Kinston went three and out on both possessions in the opening quarter, while the Bulldog defense also prevented Samson from getting anything going on offense and turned back the only scoring threat of the quarter and took over on downs after a short punt set the Tigers up at the Kinston 34-yardline.

Kinston began a drive late in the opening quarter near midfield after another fourth down stop, and behind the running of Colby Copeland and Addison Hudson drove to a first down at the Samson 15-yardline. The Bulldogs got as close as the seven after three running plays, but did salvage points when John Free booted a 23-yard field goal to put Kinston on top 3-0 with 9:18 remaining in the second quarter.

Samson began a drive at the Kinston 38-yardline late in the half, but continued to struggle against the stiff Bulldog defense and gained only two yards in four plays as Kinston carried the 3-0 lead in at intermission.

Kinston received the second half kickoff and stunned Samson as the Bulldogs went 66 yards in just three plays to extend their lead. The score came on a 62-yard touchdown run by Addison Hudson, and Free added the extra-point as Kinston's lead grew to 10-0 with 10:35 remaining in the third quarter.

Kinston appeared ready to blow the game open on its next possession after a 57-yard run by Colby Copeland set the Bulldogs up first and goal at the Samson 3-yardline. However, the Bulldogs failed to cash in the scoring opportunity and came away empty-handed when a short field goal try sailed wide.

Samson's offense continued its struggles following the missed field goal try, but regained possession at its own 28-yardline late in the quarter after a Kinston punt, and suddenly came to life as the Tigers went 72

yards in six plays to get on the scoreboard. Hayden McCoy completed two passes for 28 yards and added 34 yards rushing to pump life into the Tiger offense, and it was McCoy that scored the touchdown on a 20-yard dash. Francisco Laureano kicked the extra point, and with 27-seconds remaining in the third quarter Samson had cut the Kinston lead to 10-7.

The Zion Chapel Rebels hosted the Red Level Tigers Friday night at Green Memorial Stadium and gave their fans plenty to cheer about in a hard fought 20-13 season opening win.

Zion Chapel wasted little time getting on the scoreboard as on the game's opening kickoff Nathan Grantham fielded the kick at the Rebel 13-yardline and raced 87 yards for a touchdown. The extra point attempt failed, but with 11:44 left in the opening quarter the Rebels were already on top 6-0.

Red Level was determined to bounce back following the kickoff return and did just that as the Tigers marched right back down the field to grab the lead. The Tiger touchdown came on a 16-yard pass from Christian Spears to Dylan Browder, and Browder added the extra points to pit the Tigers on top 7-6 with 8:20 remaining in the quarter.

Zion Chapel's Joey McCrory recovered a Red level fumble late in the opening stanza, and the Rebels cashed in the Tiger turnover when Brockston Bragg bulldozed over the goal line from two yards out. Adam Staver kicked the extra point as the rebels regained the lead at 13-7 with

8:45 remaining in the second quarter.

McCrory forced a Red level fumble on the Tigers next possession and Brockston Bragg pounced on the pigskin to put Zion Chapel right back in business. Austin Johns scored on a 2-yard run to cash in the second Tiger turnover of the half, and Staver again added the extra point as the Rebels lead grew to 20-7 with 1:23 left in the half.

Red Level didn't have much time left in the half on its ensuing possession, but successfully beat the clock and the Zion Chapel defense as the Tigers cut into the Rebel lead. Christian Spears connected with Mitchell Baker on a 27-yard touchdown toss, but Joey McCrory broke through to block the extra point and with 44-seconds left on the clock the Rebels lead had been cut to 20-13.

The two defensive units dominated the second half of the game, with Zion Chapel's Joey McCrory and Paden Knight both recording sacks, and Brockston Bragg causing a fumble that was recovered by Knight with seven seconds left in the game as the Rebels held on to claim the tense 20-13 season opening win.
